

Daycare Protocol for Covid-19

Following are the safety measures which have been implemented (subject to change):

1. Daily temperature taken for staff and children upon arrival. 100 F will be a reason to refuse entry.
2. Parents expected to be wearing masks at pickup and drop-off
3. Social distancing to be maintained outdoors by markings so that there is no crowding at pickup or drop off
4. Parents will drop off outside the main entrance to the daycare (green door) without stepping inside
5. Pickups can be done from the playground if the kids are playing outdoors maintaining a 6ft distance from the staff
6. Indoor arrangements will be organized in a way that teachers are able to maintain 6ft distance from each other
7. Handwashing implemented throughout the day multiple times a day
8. Cleaning and sanitizing measures to be carried out multiple times a day

Standard protocol for staff:

1. We have briefed staff to lookout for and report any symptoms associated with Covid-19, including fever, muscle pain, and coughs.
2. Staff must report if they have been exposed to any person tested positive for Covid-19.
3. They will not be coming to work with any of the above.
4. Staff will be provided with masks and screens for all day use. Disposable gloves, head scarves, hairnets, and scrubs maybe used as well.

In order to abide by licensing requirement, it is necessary to maintain the staff-to-student ratio, which may be affected by the above-mentioned protocol. Please be prepared to pick up your child if this happens or if the daycare operations need to be closed temporarily.

"A place where kids learn, play and grow..."

Welcome Letter

Dear Parents,

Welcome to Lifeskills Montessori and Daycare! Your child is very precious to me and I will take utmost care to provide a loving, safe, and healthy environment. Please feel free to give your suggestions and feedback so together we can improve and enhance your child's experience.

Following is a list of items that will be needed prior to your child's first day. All items need to be marked with the child's name.

Infants

1. Prepared bottles of formula/milk/baby food for the day packed in a cooler/lunchbox
2. Two sets of clothes with a pair of socks, hat, and bibs
3. Blanket/swaddle sheet and nap sack
4. Diapers
5. Wipes
6. Lotion, creams, or power (if needed)

Preschoolers

1. Two sets of clothes with a set of undergarments, socks, etc.
2. Light sweater/sweatshirt
3. Any one soft toy that the child is attached to (optional)
4. Diapers, wipes, creams, sunblock, bug repellent

Thank you for choosing Lifeskills Montessori and Daycare

Sincerely,

Maliha Mahmood

Lifeskills Montessori Daycare

"A place where kids learn, play and grow..."

General Policies

These policies are established to provide a safe and nurturing environment for the care and education of your children and to give you an opportunity to make choices that are suitable for your specific needs. It is expected that the parents/guardians will read and follow these policies while their children are in the care of Lifeskills Montessori Daycare.

Hours of Operation

The daycare will open at 7:30 A.M. and close at 6:00 P.M. Monday through Friday.

Fees

Fees must be paid in advance on each Friday (or last day of attendance) for the subsequent week. Payments can be made weekly or biweekly, according to the schedule discussed at the time of enrollment.

Overtime Policy

Overtime charges at the rate of \$10 for each 15-minute increment past 6PM may apply for frequent delays in picking up the child. These charges are expected to be paid on the next scheduled payment date.

Sick and Absent Policy

Full payment is expected if a child is absent due to being sick, or is absent during a regularly scheduled day. Under no circumstances should the parent/guardian bring a sick child to the daycare if the illness could threaten the health of other children. The Health Department's regulations concerning periods of infection must be followed. If the child develops a sickness while at the daycare, such as but not limited to diarrhea or vomiting, the parent/guardian must make immediate arrangements to pick up the child after notification from the provider. A fever of 100 F and up will be a reason for the child to be picked up as well. The child must be fever free for 24 hours with no incidence of diarrhea or vomiting before they return to daycare. A doctor's note with a waiver to the above time period will be acceptable.

Withdrawal Policy

Four weeks advance notice is required in writing for withdrawal or four weeks of tuition in lieu of notice. Lifeskills reserves the right to withdraw any student with a minimum of four weeks' notice.

Holidays

The list of holidays observed can be found under Parent Resources on the website. Payment in full is required.

Communication

Parents/guardians are encouraged to keep lines of communication open with the provider. The provider should be notified immediately of address, telephone number and emergency contact changes. Parents/guardians are also encouraged to set up individual conference time to discuss their child's progress.

Traffic/Parking

Parents/guardians must observe a 20 MPH speed limit within the neighborhood. Please **only** use the driveway for pickup and drop off. This is a zoning requirement. Drive up to the garage door on either side of the driveway so we can fit four cars at a given time, if need be. Please keep pickup and drop off time as swift/short as possible so we can avoid a car "stuck" ahead of you or behind you for more than five minutes. I appreciate your cooperation and will be happy to assist you with loading or unloading your child, especially if you have child carriers and siblings. I appreciate your cooperation in this regard.

Inclement Weather Policy

There will be a two-hour delay on the day of each snowfall to give ourselves time to clear the driveway and pathways. It will be our endeavor to keep the daycare open but the decision will be based on the availability of staff, road conditions and snow removal efforts in and around the facility. The decision to close will be communicated through our website, Facebook page, email, or phone. We will make every effort to ensure that our driveway and pathway are cleared of snow but would request caution while transporting children.

Medication Administration – Decision to Administer

(Required by Standards for Licensed Family Day Homes 22 VAC 40-111-60 B 8)

Provider’s Name (please print): Maliha Mahmood	Name of Family Day Home: Lifeskills Montessori Daycare
---	---

I have made the following decision regarding the administration of medications to a child in my family day home:

- I (or other caregivers) **WILL NOT** administer any medications – prescription or non-prescription medication.
- I (or other caregivers) **WILL** administer **ONLY** prescription medication.
- I (or other caregivers) **WILL** administer **ONLY** EpiPens and prescription topical creams and ointments.
- I (or other caregivers) **WILL** administer **ONLY** non-prescription medication.
- I (or other caregivers) **WILL** administer **BOTH** prescription and non-prescription medication.
- I (or other caregivers) **WILL** administer **ONLY** non-prescription topical skin products such as sunscreen, diaper ointment and lotion, oral teething medicine, and insect repellent.

Authorized Caregivers to Administer Prescription and Non-Prescription Medications

Only a caregiver who has a current Medication Administration Training (MAT) certificate or has appropriate licensure to administer prescription medications and is listed as a medication administrator in this document will be permitted to administer prescription medications and non-prescription medication (except non-prescription topical skin products such as sunscreen, diaper ointment and lotion, oral teething medicine, and insect repellent) in my family day home.

Medication administrators will administer prescription medications in accordance with the physician’s or other prescriber’s instructions and in accordance with the standards of practice in the MAT training.

Medication administrators will administer non-prescription medications at the dose, duration, and method of administration specified on the manufacturer’s label for the age or weight of the child.

I understand that any individual listed in this section as a medication administrator is approved to administer prescription medications using the following routes: topical, oral, inhaled, eye, and ear, medication patches and epinephrine using an auto-injector device.

I understand that if a child in my family day home requires prescription medication to be administered rectally, vaginally, by injection or by another route not listed above, I will follow the procedures outlined in the MAT training for children with special health care needs.

Medication Administrator(s)

Current MAT certificates (or documentation of licensure to administer prescription medications), current age-appropriate first aid certificates, and current CPR certificates for the caregivers listed below will be kept in the caregivers’ records and be available upon request.

Confidentiality Statement

Information about any child in my family day home is confidential and will not be given to anyone except VDSS’ designees or other persons authorized by law unless the child’s parent gives written permission. Information about a child in my family day home will be given to the local department of social services if I receive a day care subsidy for the child or if the child has been named in a report of suspected child abuse or neglect or as otherwise allowed by law.

ADA Statement

I understand the provisions of the Americans with Disabilities Act. If any child enrolled in my family day home now or in the future is identified as having a disability covered under the Americans with Disabilities Act, I will assess the ability of the family day home to meet the needs of the child (for further information on ADA seek legal counsel and/or go to the following website: www.usdoj.gov/crt/ada/chcaflyr.htm). If my family day home can meet the needs of the child without making a fundamental alteration to the program and the child will need regular or emergency medication, I will ensure that I have a caregiver in my family day home who has a current Medication Administration Training (MAT) certificate or has appropriate licensure to administer prescription medications.

Provider Statement

I understand that it is my responsibility to follow my *POLICY FOR THE ADMINISTRATION OF MEDICATION* and all health and infection control regulations applicable to my family day home.

I will verify and document the credentials for all new caregivers before the caregiver is allowed to administer prescription or non-prescription medications (except non-prescription topical skin products) to any child in my family day home.

My *POLICY FOR THE ADMINISTRATION OF MEDICATION* will be made available to parents at enrollment, whenever changes are made and upon request.

Provider and the parent of each enrolled child must sign below. The provider must maintain a copy of this form in each child’s individual record.

PROVISIONS OF THE EMERGENCY PREPAREDNESS AND RESPONSE PLAN

Before the child's first day of attendance, parents must be informed of the provisions in the home's Emergency Preparedness and Response Plan (Standards for Licensed Family Day Home 22 VAC 40-111-70 A 16).

To the Parent (s) of _____ *(child's name):*

This letter is to assure you of our concern for the safety and welfare of children attending
_____ Lifeskills Montessori Daycare *(insert name of family day home).*

Our Emergency Plan provides for response to all types of emergencies. Depending on the circumstance of the emergency, we will use one of the following protective actions:

- *Immediate evacuation* Children are evacuated to a safe area near the home in the event of a fire, etc.
- *In-place sheltering* Sudden occurrences, weather or hazardous materials related, may dictate that taking cover inside the home is the best immediate response.
- *Relocation* Total evacuation of the home may become necessary if there is a danger in the area. In this case, children will be taken to a relocation site at 2201 Huntermill Road, Vienna, VA 22181

(insert name/physical address of relocation site)

We ask that you not call during the emergency. This will keep the main telephone line free to make emergency calls and relay information.

We will have your contact information with us and you will be contacted as soon as possible following any emergency action so that arrangements can be made for you and you child to be safely reunited.

In your child's record at this home are the names of persons you have authorized to pick up your child if you not able to do so. Please ensure that only those persons you have authorized attempt to pick up your child.

We specifically urge you **not** to attempt to make different arrangements during an emergency. This will only create additional confusion and divert staff from their assigned emergency duties.

In order to assure the safety of your children and our staff, we ask for your understanding and cooperation. Should you have additional questions regarding our emergency operating procedures, please let us know.
